

HealthTech - Connecting buyers and sellers.

HealthTech is the world's first online B2B directory marketplace for the healthcare industry. Combining robust directory listings, targeted interactive marketing programs, and a full service support model, HealthTech provides the most impact for your marketing dollar.

Audience

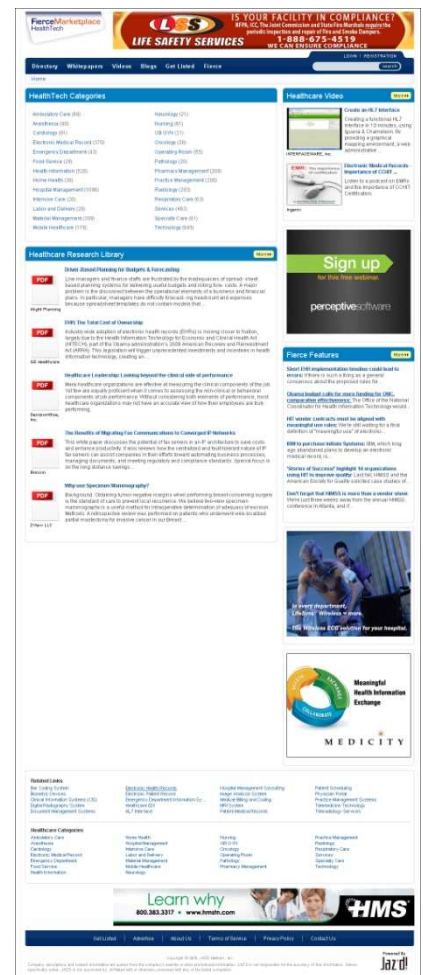

HealthTech leverages the worldwide reach and industry-leading strength of FierceMarkets' healthcare brands. These brands reach over 85,500 global subscribers from hospital CFOs to healthcare IT administrators. Through aggressive SEO campaigns and highly-targeted outbound marketing, HealthTech makes sure the right buyers find your products.

Benefits

HealthTech, built on the JAZD Marketplace Platform, provides far more than a traditional directory listing. A basic listing in HealthTech is always free, and includes your company information, product guides and contact information. Premium category sponsorship combines the value of a JAZD Microsite listing with hosted content, exclusive advertising opportunities, newsletter sponsorships, targeted lead generation, and world-class service to ensure you are always getting the maximum value from your marketing program.

World-Class Service

JAZD powers HealthTech with an innovative directory platform, providing real-time updates, an easy-to-use online interface and results reporting. In addition to the intuitive user experience, JAZD provides each client with a dedicated Service Representative to ensure that you are constantly delighted by our team. JAZD Creative Ad Services and Data Concierge are always available to help deliver marketing programs specifically tailored to meet your needs with professional quality results.
